Limited Edition

This is the Play Test Version for GaryCon X. Only 100 of these exist. We have about 20 or so left. When they are gone, they are gone forever.

The Forgotten Dungeon *Play Test Version*

Written by Eddie Jonas

Over 90 pages with four main full page map levels this limited edition Garycon play test version is *designed for AD&D* while the Release version at over 100 pages contains 5e and WCS stats for Dragonscales and 77 Worlds.

An Adventure for AD&D and WCS Based Games like Dragonscales & the Lost 77 Worlds
A mid-level adventure for 4 to 6 characters of 8th level or 3rd Rank

The dungeon is ancient, partially rebuilt, re-purposed through the ages, but now holds ties to an ancient desert goddess, ambitious mages, remnant magic from past and powerful illusionists, and areas of mystery. What, why, and other questions to ponder as you work through the tapestry.

The Forgotten Dungeon is a traditional adventure that incorporates legendary artists from the days of TSR.

Cover by Darlene

Cartography by Diesel LaForce
Introduction by Ernest Gary Gyga Jr.
Introduction by James M. Ward

Bonus Content:

- ? A Wildland Fires Book of Spell Traps
- ? A 77 Worlds Novella that tracks a band of adventurers as they tackle the Forgotten Dungeon

This is a challenging crossover adventure module designed to work with most traditional Fantasy RPG game systems as well as the Lost 77 Worlds Apocalyptic RPG and Dragonscales Fantasy RPG by James M. Ward & Stephen A. Lee.
