Lair of an Evil God

Written by Eddie Jonas

An Adventure for AD&D, D&D 5e, Dragonscales & the Lost 77 Worlds

This gaming module is set up to work for an 11th level Fantasy gaming party.

An Adventure in the Geneva Cavern

This adventure is made for characters of strength.

A dark universe version of the pyramid. Added climatic level of waiting death. Uniquely dark.

Exquisitely and insanely horroresk.
